624092
Sverdlovsk region, RUSSIA

Date of Cu⁺ registration: 09/05/2017

Renewal date: 10/05/2018

Signed on behalf of approving
Copper Centre:

Angela Vessey (Director)

As the global industry representative, International Copper Association, Ltd (ICA) working with Copper Development Association Inc, has established the Antimicrobial Copper brand with Service and Certification Marks. The Antimicrobial Copper Marks ensure that International Copper Association, Ltd and its global network of Copper Centres (the Copper Alliance) address their stewardship with regard to the deployment of copper and copper alloys in the field.

The use of the Antimicrobial Copper Marks by an organisation indicates permission to do so has been granted on behalf of International Copper Association, Ltd, based upon adherence to strict usage rules. These rules guide that organisation's understanding of the underlying technology and the way they promote, advise and deploy it in line with existing research, regulatory and legislative requirements.
